American Made Kitchen Supplies

Kwik-Kut Manufacturing produces quality, American made kitchen gadgets. Our most popular being the Tooth Edge Food Chopper that has been made for over 80 years. We also manufacture variations of this product as well as some custom made items. Our products can be found in hardware stores, kitchen shops, restaurant suppliers, and are also sold for fund-raising purposes. We invite you to look over our website, view our products, and contact us with any questions. No order is too small, or too big!

Putting A Little Of Our Home Into Yours

All Kwik-Kut products are proudly Made in the USA by our team of neighbors who live in New York State's Historic Herkimer County. Located within an hour from Cooperstown, The Adirondacks, Turning Stone Casino, Albany and Syracuse, our location is the perfect place to visit. Our products join a long line of manufacturing such as Remington Arms, Feldmeier, Heidleberg Bakery, F.E. Hale and many others. We are located along the Erie Canal and the area has played important roles in the Revolutionary and Civil Wars. Many historic sites are spread throughout our county, along with museums, antique centers, fine restaurants, hiking trails and art districts. For information on Herkimer County, visit herkimercountychamber.com. Our factory is easily located on Route 28 South in the village of Mohawk and we welcome shoppers and visitors from 8-2:30 Monday thru Thursday. Our products are designed to put a little of our home into your home!
